ADMINISTRATIVE PERSONAL:	Dora Tarbox, Secretary; Danielle Manuel, Marshal; Rodney Price, City Attorney	
---------------------------------	---	--

Mayor Wilcoxson called the meeting to order at 6:00 p.m.

Mayor Wilcoxson voiced the invocation.

Mayor Wilcoxson led in the Pledge of Allegiance.

JOE MAREDIYA

Mr. Marediya spoke to the council about opening another business and adding gaming machines to the business. The council said they would add to next month's agenda to be discussed and voted on.

INFRAMARK

Water Production for the month 2.30 MGD

Filter media was replaced, week of Oct. 10,2024. With the media we have been able to reduce Backwashing the filters to once or twice a week instead of 3 times a week during peak season And once a week off peak.

We are happy to announce that TCEQ has finally approved the Backwash Discharge Permit: This Allows the city to empty the backwash decant basin into the adjacent bayou. This permit has been Out of date for more than 3 years and took nearly 18 months to get reapproved we appreciate the City's patients and assistance letting us navigate the renewal process with TCEQ.

The new permit requires us to pull a Total Suspended Solids (TSS) weekly while backwashing the Filters. A PH sample is required once a month. The new samples have been added to the Rose City sampling plan.

Contractor/Electrician performed a load test on plant generator. Plant transferred over without Complication.

We have moved away from Hawkins for chemical purchasing and have had Simply Aquatic's Performing Jar testing and found a blend Coagulant that is more cost effective and has performed better in the plant than the previous one from Hawkins.

Operations

Completed Daily Chlorine Residuals

Completed All Compliance Testing

Added new testing with the backwash discharge permit.

Monthly district flushing has been completed for the month.

Magna Flow sludge net used for solids removal from wasting pond; Two truck Loads removed.

Filters are performing exceptionally.

Maintenance & Repair

- The turbidity meter has been replaced on filter 5.
- All turbidity meters have been calibrated
